TERMS OF SALE

1. Terms are strictly CASH to the highest bidder. In case of dispute the decision of the Auctioneer will be final. Lots must be cleared and paid for at the end of the sale.
2. All bids will be executed by the Auction Manager, but forwarding charges, insurance and registration, etc., will be charged to the buyer. Bids from overseas members should be in Sterling and **all bids must be received by 1200 hours Tuesday 28th February 2017 if by e mail or by Monday 27th February 2017 if by phone or mail.** Receipt of bids will be acknowledged by e mail or phone so if you don't receive this acknowledgement please contact the Auction Manager asap.
3. Successful bidders will be notified of their purchases by Pro-forma invoice (normally by e mail) and lots will be forwarded **after receipt** of the FULL remittance in STERLING funds.
4. Lots will normally be sent out by first class mail (or equivalent) for invoices up to £50 in value or by Royal Mail 'Signed For' service (or equivalent) for invoices over £50. Buyers requiring an alternative service should request this when responding to the pro-forma invoice.
5. All lots are sold as genuine (except where offered 'as is') but neither the Auctioneer nor the Society can be held responsible for a wrong description by the vendor.
6. All lots are sold in STERLING FUNDS and must be paid for in STERLING FUNDS. Payment may be made either by sterling cheque drawn on a UK clearing bank and **made payable to the Society** or via PAYPAL. **In the case of PAYPAL payments a surcharge will be applied (normally 5% but may be higher for small invoices) to cover PAYPAL charges.**
7. The estimates given in the appropriate column are meant as a guide to the current retail value of the lots. In many cases the vendor's figures have been checked and adjusted. It is anticipated that most lots will sell at, or a little above, the estimate given. Condition has been taken into account and every effort made to give a clear description for the benefit of bidders. Such descriptions have, of necessity, to be reasonably brief. The Auction Manager is prepared to attempt to give more detailed descriptions of larger lots. The numbers stated in general lots and accumulations have not all been checked and must be accepted as only approximate.
8. **THERE IS NO BUYER'S PREMIUM OR VAT PAYABLE.**
9. Virtually all of the lots in this sale are illustrated in this catalogue. Large and mixed lots have generally been illustrated by showing a sample of the contents. **Lot numbers highlighted in red have illustrations; normally on the adjacent page.** Should these illustrations prove inadequate, the Auction Manager will be happy to provide additional information or scans or to provide material for Postal Viewing.

Applications for Postal Viewing will be dealt with in strict rotation. The cost both ways, must be paid for by the viewer and all lots must be sent back BY RETURN OF POST, with remittance to cover postage, registration, etc. Unfortunately, no lots can be sent for viewing to overseas members nor can any lots be sent out for postal viewing after Friday 17th February 2017. Scans can be sent as jpeg attachments up to Friday 24th February 2017.

All enquiries, viewing requests and bids should be sent to the Auction Manager.

INFORMATION FOR BIDDERS

An estimate is shown against each lot. This is an estimate of the market value of the lot and may be used as a guide to the likely selling price. However, please note that our Auction Manager does not always get it right!

Where vendors have set a reserve price, this will vary from 30% to 90% of estimate but will normally be some 60 – 80% of the estimate.

We also sometimes have lots donated or sold for Society funds or for Charities. Again, this will be clearly highlighted in the lot description. Please bid generously in such cases!

Our bidding increments are as follows:-

Up to £10	50p steps
£10 to £20	£1 steps
£20 to £50	£2 steps
£50 to £100	£5 steps
£100 to £200	£10 steps
£200 to £500	£25 steps
Over £500	at Auctioneers discretion.

Please note that we do not accept 'Buy' bids. Bids received which are not in line with the above steps will be rounded down to the nearest bidding increment.

Lots will be sold to the highest bidder at one increment above the next highest bid. Your bid will not be used as a starting price. **In the event of tied bids, the bid received earliest will win the lot.**

The Auction Manager will treat your bids in confidence. Your limit bid will not be used as a starting bid.

For the majority of lot values we have referred to the following catalogues:-

SG - Stanley Gibbons Canada & Provinces 6th Edition 2016

CS - Unitrade Specialized Catalogue of Canadian Stamps 2016 Edition

Other catalogues have been used for some specialised material and where applicable these are clearly referenced. (E.g. E.S.J. Van Dam for Revenue stamps etc.)

Where the abbreviation STC is used, the catalogue value stated is that provided by the vendor and has not been checked by the Auction Manager.

The sale is listed as follows:-

1. Postal History - Covers etc - Mixed Lots, Accumulations and Collections
2. Postal History - Covers etc - small lots (divided into a number of sub-sections)
3. Postal History - Cancellations (divided into a number of sub-sections)
4. Stamps (divided into a number of sub-sections)
5. Miscellaneous items

The Postal History sections of the sale contain many specialised items. Rather than split these into too many sub-listings we have attempted to highlight key words (**in red**) that may draw attention to items of special interest or unusual destinations. The system is, of course, not foolproof so if you do have specific interests we would advise close inspection of the lot listings to ensure you do not miss something important. Within each section, lots are listed broadly in chronological order.

Please note that although we have made efforts to illustrate the vast majority of lots, the scans are **not to scale** so relative sizes will not be correct. The scans are, however, of fairly high resolution so you will be able to blow them up in size online to get a close up view of the material.

Oh and remember..... if you see something you like, bid early, bid often and bid high!!

FOREWORD

This sale contains the usual eclectic mix of postal history and stamps from the BNA area. In general, the lots are smaller and of lower value than those we feature in our Convention auctions. Lots are estimated from as little as £2 up to £300 so there should be something to match most collecting interests and also all pocket books.

As usual, all estimates and bidding are done in £ Sterling although successful overseas bidders will be able to pay invoices in their local currency using PAYPAL. With the continued fall in the value of the £ (now possibly even below parity with the sweaty sock) there should be some good bargains for our North American members in this sale.

Whilst the sale contains a wide variety of BNA material, the particular highlights include the following:-

1. A large collection of early Private Post Cards, many highly illustrated, broken down into individual lots
 2. A nice group of Admiral period Acknowledgement of Receipt cards and covers including foreign destinations and a very scarce 20 cent Admiral rate card.
 3. Several bulk lots of unsorted Admiral stamps
 4. A good range of early Postal Stationery - including examples to many foreign destinations and some scarce varieties
 5. A nice lot of Squared Circle cancels on cover or card
 6. A Map Stamp on a 25 December cover
- and much, much more.

I hope you can find a few lots to enhance your collection.

Graham Searle

10 January 2017.

87	1913 postcard from the UK to Toronto addressed to 'General Delivery' at the General Post Office, Toronto, presumably by someone who did not know the recipients address. The card shows a nice strike of the boxed 'PLEASE HAVE YOUR MAIL DIRECTED TO STREET AND NO' handstamp in purple along with a strike of the rectangular boxed 'D TORONTO / GENERAL DELIVERY' cancel. Some creases and stains as might be expected but it does appear to have got to its intended destination which is a nice example of the tenacity of the Post Office in 1913 - would it were the same now! SOLD FOR SOCIETY FUNDS - PLEASE BID GENEROUSLY.	£6

- 94** 1913 registered letter from Winnipeg to Germany from the **E.R. Krippner** correspondence. Mailed with Acknowledgement of Receipt. Sent in a 1 cent green George V postal stationery envelope and franked with a 10 cent plum Admiral (thus apparently overpaid by 1 cent). Rather heavy R in oval cancels but o/w very fine and a nice range of postmarks on the reverse. Very unusual example of **AR mail to a UPU country**. £40
- 95** 1918 Canadian Post Office official envelope used to return overseas AR sheets to the post office of origin. In this case mailed to Columbus, Ohio. **USA** No postage as carried free but franked with a 'Buy Victory Bonds' machine cancel of Winnipeg. Unusual and the first we have seen. Minor edge wear but o/w very fine. £24
- 96** 1921 - 1926 Two Admiral registered covers both sent at **local or drop rate** and both sent **with AR**. First was mailed in Montreal and is an Office Speciality Mfg Co. advert cover franked with a pair of 5 cent blue plus 2 cent red Admiral. The second mailed within Toronto from Station F is franked with 10 cent brown and 2 cent green Admirals and was returned to sender. Latter cover has a mass of colourful handstamps including 'NOT AT ADDRESS', two pointing finger 'RETURN TO SENDER' and 'EXAMINED' in addition to the AR handstamp. Minor edge wear but o/w very fine. £24
- 97** Small study of 10 AR cards from the period 1922 - 1927 showing different card printings. Nice array of postmarks and all in very fine condition. £50
- 98** 1923 letter from Montreal (Station G) **to New York sent registered and with AR**. Franked with 10 cent blue and 3 cent brown Admirals. Minor edge faults and two staple holes where the AR card was attached to the letter but o/w very fine and an unusual example of the AR service being used to the USA. £24
- 99** 1923 - 1926 pair of Acknowledgement of Receipts cards showing the use of the 10 cent blue Admiral (from Regina in 1923) and the 10 cent brown Admiral (from, Indian Head, Sask in 1926) paying the 10 cent rate. Very fine. £10
- 100** 1925 (OCT 25) **Acknowledgement of Receipt card** used to obtain confirmation of receipt of an item **after it had been sent** and correctly franked with a 20 cent Admiral. The original letter had been mailed from Toronto in June 1925 to Philadelphia USA. Correctly signed on reverse to indicate that the package had been received. Extremely rare example of this 20 cent rate and one of only a handful known franked with the 20 cent Admiral. Ex Allan Steinhart and one of the great Admiral postal history rarities. Very fine condition and complete with correspondence from Steinhart to establish provenance. £300
- 101** Group of five Acknowledgement of Receipt cards from the period 1952 to 1966. Various types of card, three are franked with the 10 cent Eskimo stamp (CS type 351), the other two with the 10 cent Fur Resources stamp (CS type 301). Fine or better. £5
