## TERMS OF SALE

1. Terms are strictly CASH to the highest bidder. In case of dispute the decision of the Auctioneer will be final. Lots must be cleared and paid for at the end of the sale.
2. All bids will be executed by the Auction Manager, but forwarding charges, insurance and registration, etc., will be charged to the buyer. Bids from overseas members should be in Sterling and **all bids must be received by Friday 11th October 2019 if by e mail or by Friday 4th October 2019 if by phone or mail**. Receipt of bids will be acknowledged by e mail or phone so if you don't receive this acknowledgement please contact the Auction Manager asap.
3. Successful bidders will be notified of their purchases by Pro-forma invoice (normally by e mail) and lots will be forwarded **after receipt** of the FULL remittance in STERLING funds.
4. Lots will normally be sent out by first class mail (or equivalent) for invoices up to £40 in value or by Royal Mail 'Signed For' service (or equivalent) for invoices over £40. Buyers requiring an alternative service should request this when responding to the pro-forma invoice.
5. All lots are sold as genuine (except where offered 'as is') but neither the Auctioneer nor the Society can be held responsible for a wrong description by the vendor.
6. All lots are sold in STERLING FUNDS and must be paid for in STERLING FUNDS. Payment may be made either by sterling cheque drawn on a UK clearing bank and **made payable to the Society** or via PAYPAL. **In the case of PAYPAL payments a surcharge will be applied (normally 5% but may be higher for small invoices) to cover PAYPAL charges.**
7. The estimates given in the appropriate column are meant as a guide to the current retail value of the lots. In many cases the vendor's figures have been checked and adjusted. It is anticipated that most lots will sell at, or a little above, the estimate given. Condition has been taken into account and every effort made to give a clear description for the benefit of bidders. Such descriptions have, of necessity, to be reasonably brief. The Auction Manager is prepared to attempt to give more detailed descriptions of larger lots. The numbers stated in general lots and accumulations have not all been checked and must be accepted as only approximate.
8. **THERE IS NO BUYER'S PREMIUM OR VAT PAYABLE.**
9. Virtually all of the lots in this sale are illustrated in this catalogue. Large and mixed lots have generally been illustrated by showing a sample of the contents. **Lot numbers highlighted in red have illustrations; normally on the adjacent pages.** Should these illustrations prove inadequate, the Auction Manager will be happy to provide additional information or scans or to provide material for Postal Viewing.

Applications for Postal Viewing will be dealt with in strict rotation. The cost both ways, must be paid for by the viewer and all lots must be sent back **BY RETURN OF POST**, with remittance to cover postage, registration, etc. Unfortunately, no lots can be sent for viewing to overseas members nor can any lots be sent out for postal viewing after Friday 20th September 2019. Scans can be sent as jpeg attachments up to Friday 4th October 2019.

**All enquiries, viewing requests and bids should be sent to the Auction Manager.**

## INFORMATION FOR BIDDERS

An estimate is shown against each lot. This is an estimate of the market value of the lot and may be used as a guide to the likely selling price. However, please note that our Auction Manager does not always get it right!

Where vendors have set a reserve price, this will vary widely from 30% to 90% of estimate but will in most cases be some 60 – 80% of the estimate. Where lots are being sold without reserve, this will be clearly highlighted in the description.

This sale includes a number of lots donated or sold for Society funds or for Charities. Where this is the case the lot number is followed by a bold \*. Please bid generously in such cases!

### **Our bidding increments are as follows:-**

<b>Up to £10</b>	<b>50p steps</b>
<b>£10 to £20</b>	<b>£1 steps</b>
<b>£20 to £50</b>	<b>£2 steps</b>
<b>£50 to £100</b>	<b>£5 steps</b>
<b>£100 to £200</b>	<b>£10 steps</b>
<b>£200 to £500</b>	<b>£25 steps</b>
<b>Over £500</b>	<b>at Auctioneers discretion.</b>

Please note that these increments do not allow bids such as £25 or £35. We do not accept 'Buy' bids. Bids received which are not in line with the above steps will be rounded down to the nearest bidding increment.

Lots will be sold to the highest bidder at one increment above the next highest bid. Your bid will not be used as a starting price. **In the event of tied bids, the bid received earliest will win the lot.**

The Auction Manager will treat your bids in confidence. Your limit bid will not be used as a starting bid.

For the majority of lot values we have referred to the following catalogues:-

SG - Stanley Gibbons Canada & Provinces 6<sup>th</sup> Edition 2016

CS - Unitrade Specialized Catalogue of Canadian Stamps 2018 Edition

Other catalogues have been used for some specialised material and where applicable these are clearly referenced. (E.g. E.S.J. Van Dam for Revenue stamps etc.)

Where the abbreviation STC is used, the catalogue value stated is that provided by the vendor and has not been checked by the Auction Manager.

The sale is listed as follows:-

1. Postal History - Covers etc - Mixed Lots, Accumulations and Collections
2. Postal History - Covers etc - small lots (divided into a number of sub-sections)
3. Postal History - Cancellations (divided into a number of sub-sections)
4. Stamps (divided into a number of sub-sections)

The Postal History sections of the sale contain many specialised items. Rather than split these into too many sub-listings we have attempted to highlight key words (**in red**) that may draw attention to items of special interest or unusual destinations. The system is, of course, not foolproof so if you do have specific interests we would advise close inspection of the lot listings to ensure you do not miss something important. Within each section, lots are listed broadly in chronological order.

Please note that although we have made efforts to illustrate the vast majority of lots, the scans are **not to scale** so relative sizes will not be correct. The scans are, however, of fairly high resolution so you will be able to blow them up in size online to get a close up view of the material.

**Oh and remember..... if you see something you like, bid early, bid often and bid high!!**

## **FOREWORD**

This sale contains the usual eclectic mix of postal history and stamps from the BNA area. Lots are estimated from as little as £1 up to £2000 so there should be something to match most collecting interests and also all pocket books.

As usual, all estimates and bidding are done in £ Sterling although successful overseas bidders will be able to pay invoices in their local currency using PAYPAL. With the £ sterling plumbing new depths this summer there should be some big bargains in the sale for our overseas members. Whilst the sale contains a wide variety of BNA material, the particular highlights include the following:-

1. A correspondence from York Factory to the UK including both Large and Small Queen covers
2. A good range of Admiral 2 cent red re-entries from the Sandy Mackie collection
3. A nice Newfoundland imperf that once graced the Burrus collection
4. A large quantity of Western RPO cancels including many scarce types
5. A wide range of transatlantic covers including many from the Maritimes and including several very scarce Ship Letter marks and other rate handstamps
6. A nice range of illustrated advertising covers from the 1870's through to the 1940's
7. Some excellent bulk lots of commercial perfins, precancels, early rate handstamps and meter mail marks plus another batch of our popular bulk Admiral stamps.

and much, much more.

Following successful sales in our last three auctions, this sale also includes a few more lots towards the end of the ever popular bulk used stamps (mostly off paper). Ideal as 'study' lots for varieties and postmarks, these are for those of you who like to get a lot of stamps for your money! Hopefully those of you who missed out the last two times can have another go in this auction - these are likely to be the last such lots we offer so if you are interested make sure to bid.

I hope you can find a few lots to enhance your collection.

Graham Searle

31 July 2019.

174	1887 (29 Jan) cover from Prince Albert N.W.T. to Oxford, England. Although this cover has no enclosed letter, it is almost certainly from David West Kirkby, the son of the Archdeacon who wrote the 10 letters above. David joined the Church Missionary Society in 1880 and was ordained Deacon in 1886 serving at Fort Norman from 1886 to 1888. This letter was almost certainly written from Fort Norman. The cover is franked with a 5 cent Small Queen stamp tied by a duplex cancel of Prince Albert. The post office at Prince Albert N.W.T. was established in 1878 and although the town became part of Saskatchewan in 1882 it is interesting to note that the N.W.T. datestamp was still in use some 5 years later. One presumes little post was franked from this office! Some minor edge faults and age stains but o/w fine and a scarce cancel.	£60
	Given the unusual nature of this correspondence and its historical significance, we are prepared to offer the previous 11 lots as a single lot comprising the entire correspondence.
