## TERMS OF SALE

1. Terms are strictly CASH to the highest bidder. In case of dispute the decision of the Auctioneer will be final. Lots must be paid for before shipping.
2. All bids will be executed by the Auction Manager, but forwarding charges, insurance and registration, etc., will be charged to the buyer. Bids from overseas members should be in Sterling and **all bids must be received by Friday 18th March 2022 at 1200hrs GMT if by e mail or by Thursday 17th March 2022 if by phone or mail.** Receipt of bids will be acknowledged by e mail or phone so if you don't receive this acknowledgement please contact the Auction Manager asap.
3. Successful bidders will be notified of their purchases by Pro-forma invoice (normally by e mail) and lots will be forwarded **after receipt** of the FULL remittance in STERLING funds.
4. Lots will normally be sent out by first class mail (or equivalent) for invoices up to £40 in value or by Royal Mail 'Signed For' service (or equivalent) for invoices over £40. Buyers requiring an alternative service should request this when responding to the pro-forma invoice.
5. All lots are sold as genuine (except where offered 'as is') but neither the Auctioneer nor the Society can be held responsible for a wrong description by the vendor. Note that your Auction Manager will have made an attempt to verify descriptions but he is not an expertising service!
6. All lots are sold in STERLING FUNDS and must be paid for in STERLING FUNDS. Payment may be made either by sterling cheque drawn on a UK clearing bank and **made payable to the Society** or via PAYPAL or by bank transfer. **In the case of PAYPAL payments a surcharge will be applied (normally 5% but may be higher for small invoices) to cover PAYPAL charges. If paying via bank transfer, all bank charges must be paid by the purchaser.**
7. The estimates given in the appropriate column are meant as a guide to the current retail value of the lots. In many cases the vendor's figures have been checked and adjusted. It is anticipated that most lots will sell at, or a little above, the estimate given. Condition has been taken into account and every effort made to give a clear description for the benefit of bidders. Such descriptions have, of necessity, to be reasonably brief. The Auction Manager is prepared to attempt to give more detailed descriptions of larger lots and additional scans (e.g. of the back of stamps) can be provided on request. The numbers stated in general lots and accumulations have not all been checked and must be accepted as only approximate.
8. **THERE IS NO BUYER'S PREMIUM OR VAT PAYABLE.**
9. Virtually all of the lots in this sale are illustrated in this catalogue. Large and mixed lots have generally been illustrated by showing a sample of the contents. **Lot numbers highlighted in red have illustrations; normally on the adjacent pages.** Should these illustrations prove inadequate, the Auction Manager will be happy to provide additional information or scans or to provide material for Postal Viewing.

Applications for Postal Viewing will be dealt with in strict rotation. The cost both ways, must be paid for by the viewer and all lots must be sent back **BY RETURN OF POST**, with remittance to cover postage, registration, etc. Unfortunately, no lots can be sent for viewing to overseas members nor can any lots be sent out for postal viewing after Monday 28th February 2022. Scans can be sent as jpeg attachments up to Friday 11th March 2022.

**All enquiries, viewing requests and bids should be sent to the Auction Manager.**

## **INFORMATION FOR BIDDERS**

An estimate is shown against each lot. This is an estimate of the market value of the lot and may be used as a guide to the likely selling price. However, please note that our Auction Manager does not always get it right!

As this is a club auction, reserves have, in many cases, been set by individual sellers not by the auction manager. As a result reserve levels can vary a lot from less than 50% to as much as 90% of estimate. In most cases, assume the reserve is around 60 - 70% of estimate and note that bids of less than 60% of estimate are highly unlikely to be successful.

This sale includes a few lots donated or sold for Society funds. Where this is the case the lot number is followed by a bold \*. In many cases these will be being sold without reserve but please bid generously in such cases!

### **Our bidding increments are as follows:-**

<b>Up to £10</b>	<b>50p steps</b>
<b>£10 to £20</b>	<b>£1 steps</b>
<b>£20 to £50</b>	<b>£2 steps</b>
<b>£50 to £100</b>	<b>£5 steps</b>
<b>£100 to £200</b>	<b>£10 steps</b>
<b>£200 to £500</b>	<b>£25 steps</b>
<b>Over £500</b>	<b>at Auctioneers discretion.</b>

Please note that these increments do not allow for bids such as £25 or £35 which always end up being rounded down. We do not accept 'Buy' bids. Bids received which are not in line with the above steps will be rounded down to the nearest bidding increment.

Lots will be sold to the highest bidder at one increment above the next highest bid. Your bid will not be used as a starting price. **In the event of tied bids, the bid received earliest will win the lot.**

The Auction Manager will treat your bids in confidence. Your limit bid will not be used as a starting bid.

For the majority of lot values we have referred to the following catalogues:-

SG - Stanley Gibbons Canada & Provinces 7th Edition 2020

CS - Unitrade Specialized Catalogue of Canadian Stamps 2018 Edition

Van Dam catalogue of Revenue Stamps - 1994 edition.

Unitrade Standard Canada Precancel Catalogue - 2000 Edition

Where the abbreviation STC is used, the catalogue value stated is that provided by the vendor and has not been checked by the Auction Manager.

The sale is listed as follows:-

1. Postal History - Mixed and Bulk Lots
2. Postal History - small lots
3. Postal Stationery
4. Cancellations
5. Stamps
6. Ephemera and any stuff the auction manager missed the first time around

The Postal History sections of the sale contain many specialised items. Rather than split these into too many sub-listings we have attempted to highlight key words (**in red**) that may draw attention to items of special interest or unusual destinations. The system is, of course, not foolproof so if you do have specific interests we would advise close inspection of the lot listings to ensure you do not miss something important. Within each section, lots are listed broadly in chronological order.

Please note that although we have made efforts to illustrate the vast majority of lots, the scans are **not to scale** so relative sizes will not be correct. The scans are, however, of fairly high resolution so you will be able to blow them up in size online to get a close up view of the material. Also note that some of the large stamp lots are held in stockbook pages which can be hard to scan - so don't be alarmed if some of the scans show edges missing etc. In real life they are all there!

**Oh, and remember if you see something you like....bid early, bid high and bid often!!!**

## FOREWORD

This sale contains the usual eclectic mix of postal history and stamps from the BNA area.

As usual, all estimates and bidding are done in £ Sterling although successful overseas bidders will be able to pay invoices in their local currency using PAYPAL or pay via International bank transfer. Whilst the sale contains a wide variety of BNA material, some of the highlights include:-

1. A range of early Ship Letters in addition to several later transatlantic covers with handstamps
2. Some nice early Canadian rate handstamps
3. A lot of Postage Due covers
4. An unused copy of the 1 cent Large Queen on laid paper - one of Canada's rarest stamps
5. A cover recovered from the wreck of the Empress of Ireland
6. Some more early covers with straight line postmarks and bishop marks
7. Plating studies of both the 12½ cent and 17 cent values of the 1859 Cents issue
8. Some nice bulk lots of RPO cancels and Precancels and
- 9 Another group of the ever popular Fancy Cancels

Devotees of our bulk Admiral lots will find some more lots of 2 cent reds and 3 cent browns in this sale. The cupboard is nearly empty so if you like this stuff now is the time to bid!! We have also branched out to offer bulk lots of Small Queen stamps and this sale also includes a number of highly specialised bulk lots of individual stamps from the 1859 series to the Map Stamp. These all come from old time collections that have not been on the market for many decades so if you collect in these areas take a close look.

With lots estimated from as little as £2 up to £1000 (with a majority priced at less than £30) there should be something for all regardless of the state of the bank balance.

I hope you can find a few lots to enhance your collection.

Graham Searle

	The following four lots are bulk accumulations of Small Queen stamps from an old time collection. Partly on album leaves and also bulk in packets. Those on album leaves have some varieties noted. Those in packets are unchecked for varieties. Includes a reasonable proportion of the early Ottawa printings and shades and also perf 11½ varieties. Good source of shades, perfs and postmarks etc. Condition is variable as one might expect but many fine to very fine here.	
217	Small Queen 1 cent yellow - over 200 copies	£12
218	Small Queen 2 cent green - over 250 copies	£15
219	Small Queen 3 cents red - well over 700 copies (too many to count!) - lot also includes 7 covers	£30

221	1897 bulk lot of 1 cent and 3 cent Jubilee stamps on stockcards. Stated to be 12 x 1 cent and 105 x 3 cent. Many with dated cds and a few squared circles noted. Few faults but many fine or better.	£55
	The following 9 lots all comprise packets of Admiral stamps - off paper and some in bundles - in bulk. There are far too many to count so I have given an indication for each lot of the weight in grams. For guidance 100 Admirals weigh approx. 4 gms, the lots all weigh between 150 and 200 gms so expect around 3500 and 5000 stamps per lot. For all these lots, the condition of the contents will vary but there are many very fine copies here as well as the odd faulty one. They all come from a huge old time hoard of Admirals which was variously put together by Sandy Mackie, John Hannah and George Marler and ended up in the estate of the late Peter Payne. They appear to have been collected and selected for a wide variety of reasons including; cancels, dated copies, retouches, plating studies etc etc. For those who like to get a lot of stamps for their money, these are for you. <b>All are sold without reserve and are sold here for Society Funds.</b> Estimates have been set on the basis of actual realisations for similar lots in our recent sales. Apart from one bumper lot to be included in our Convention sale later in 2022 these are the last of the hoard so if you want to acquire some it is now or never.....

<b>STAMPS -CANADA</b>		
232	1851 3d beaver on laid paper (CS 1) - presentable copy of Canada's first stamp with almost 4 margins (tight at top left). Stamp has a very tiny tear in the top margin and also appears to have had a horizontal crease ironed out at some stage but very fine appearance with light cancel.	£50
233	1851 6d Albert on laid paper in brown purple shade. Nice copy with 3 full margins (tight at bottom) and light cancel. Fine.	£100
234	1852 3d Beaver on wove paper - pair of used stamps, one in orange red on thin wove paper and the other in brown red on thin wove. Former has four margins, latter has tight margins at top left and on right hand side. Both sound copies and a nice looking pair.	£65
235	1854 10d Cartier imperf. Used copy with just about 4 margins (all are very close) and nice light four ring numeral cancel. Very attractive clean copy. Fine.	£100
236	1857 7½d Queen Victoria plate proof in green (CS 9P). Very fine looking but has a few small thins.	£15
237	1859 ½d perforated stamp (CS 11) - fine used.	£80
238	1859 3d Beaver - perforated (CS type 12) - very fine used apart from one short perf on left. Cancelled with 7 ring concentric cancel in red. Very attractive!	£50
239	1859 5 cent Beaver plate proof in brown red with horizontal SPECIMEN in black (CS type 15TCiv). Very fine.	£30
240	1859 5 cent Beaver with major (triple) re-entry from pp28 state 10. (CS type 15v). Fine used single with a tiny thin on one of the perf tips.	£30
241	1859 10 cents Consort stamp: collection on display sheets showing the many printing orders of this stamp. Includes some 79 stamps, 3 covers and one plate proof. Virtually all printing orders are represented with some minor duplication. The stamps shown for PO 1B and PO 2 are in my opinion not correct and have not been included in the estimate. Several varieties also noted including the String of Pearls, Double Epaulette (on cover) etc as well as several minor flaws and imprint copies etc. Condition varies with a few faulty but several very fine. Exceptional opportunity to obtain a large holding of this difficult stamp and a great basis for further expansion. Huge catalogue value.	£800
242	1859 12½ cents value - accumulation of some 92 copies which have been plated. I note only five duplicate positions so some 87 of the 100 possible are here. Note two copies from pp94 and one each from pp61 and 62 (the major re-entries). Condition varies as you may expect but many very fine here. Almost impossible to replicate today and with only 13 more plate positions to find, completion is a real possibility for the buyer!	£800
243	1859 17 cents Cartier stamp - accumulation of some 79 copies which have been plated as per Calder etc. Only appear to be some 6 duplicates so 73 different plate positions represented out of the possible 100 - just 27 more for the buyer to find! Includes both the major re-entry from pp100 and the GE re-entry from pp5 along with a number of other minor varieties. Condition varies as you may expect but several very fine noted. Almost impossible to replicate and a challenge to complete the full plate reconstruction!	£600
244	1864 2 cent stamp - plate proof in green (CS type 20TCii) in horizontal marginal pair with large part of the plate imprint at right. Very fine. Cat \$800	£80
