TERMS OF SALE

1. Terms are strictly CASH to the highest bidder. In case of dispute the decision of the Auctioneer will be final.
2. Successful bidders will be notified of their purchases by Pro-forma invoice (normally by e mail) and lots will be forwarded upon receipt of the FULL remittance in STERLING funds.
3. Lots will normally be sent out by first class mail (or equivalent) for invoices up to £50 in value or by Royal Mail 'Signed For' service (or equivalent) for invoices over £50. Buyers requiring an alternative service should request this when responding to the pro-forma invoice. Buyers will be invoiced for postage & packing costs in addition to the sale price of the lot(s).
4. All lots are sold as genuine (except where offered 'as is') but neither the Auctioneer nor the Society can be held responsible for a wrong description by the vendor.
5. All lots are sold in STERLING FUNDS and must be paid for in STERLING FUNDS. Payment may be made either by sterling cheque **made payable to the Society** or via PAYPAL. **In the case of PAYPAL payments a surcharge will be applied to cover PAYPAL charges. This surcharge will normally be 5% but in the case of low value orders may be higher. In such cases, vendors will be advised in advance and will never be charged more than the actual PAYPAL charges to the Society.**
7. The estimates given in the appropriate column are meant as a guide. It is anticipated that most lots will sell at, or a little above, the estimate given. Condition has been taken into account and every effort made to give a clear description for the benefit of bidders. Such descriptions have, of necessity, to be reasonably brief. The Auction Manager is prepared to attempt to give more detailed descriptions of larger lots. The numbers stated in general lots and accumulations have not all been checked and must be accepted as only approximate.
8. **THERE IS NO BUYER'S PREMIUM OR VAT PAYABLE.**
9. Virtually all of the lots in the sale are illustrated in this catalogue. Large and mixed lots have generally been illustrated by showing a sample of the contents. **Lot numbers highlighted in red have illustrations; normally on the adjacent page.** Should these illustrations prove inadequate, the Auction Manager will be happy to provide additional information or scans on request.
10. This sale will close at **1200hrs GMT on Sunday 28th February 2016. Bids received after this date/time will not be entered.**
11. The Auction Manager is happy to receive enquiries regarding **unsold lots up to the 15th March 2016.** Also look at the Society website for details on unsold lots.

All enquiries and bids should be sent to the Auction Manager.

INFORMATION FOR BIDDERS

This small sale consists of just 42 lots all estimated in the £1 to £15 price bracket. The estimate is shown against each lot. This is a conservative estimate of the market value of the lot and may be used as a guide to the likely minimum selling price. However, please note that our Auction Manager does not always get it right!

All of the lots in this sale have been donated for Society Funds (so please bid generously!!) - as such they are being sold without reserve and have been priced to sell. However, the Auction Manager reserves the right to decline bids should they be too far below a reasonable market value. As a guideline, please assume that bids of less than 50% of estimate will generally fall into this category.

For this sale only, our bidding increments are as follows:-

Up to £10	20p steps
£10 to £20	50p steps
£20 to £50	£1 steps
£50 to £100	£5 steps
£100 to £200	£10 steps
£200 to £500	£25 steps
Over £500	at Auctioneers discretion.

Please note that we do not accept 'Buy' bids. Bids received which are not in line with the above steps will be rounded down to the nearest bidding increment.

Lots will be sold to the highest bidder at one increment above the next highest bid. Your bid will not be used as a starting price. In the event of tied bids, the bid received earliest will win the lot.

For the majority of lot values we have referred to the following catalogues:-

SG - Stanley Gibbons Canada & Provinces 5th Edition 2014

CS - Unitrade Specialized Catalogue of Canadian Stamps 2016 Edition

Other catalogues have been used for some specialised material and where applicable these are clearly referenced. (E.g. E.S.J. Van Dam for Revenue stamps etc.)

Where the abbreviation STC is used, the catalogue value stated is that provided by the vendor and has not been checked by the Auction Manager.

The sale is made up of a small number of low value lots so we have made less attempt than is usual to lay them out in categories. If you have specific collecting interests please check all of the lot descriptions to ensure you miss nothing of interest. We have used our normal practice of highlighting key words in **red** to aid this process.

Please note that although we have made efforts to illustrate the vast majority of lots, the scans are **not to scale** so relative sizes will not be correct..

Oh and remember..... bid early, bid often and bid high..... It is all for a good cause!!
